

NATIONAL SPIRITUAL ASSEMBLY  
OF THE BAHÁ'ÍS OF THE UNITED STATES

February 25, 2022

To all Local Spiritual Assemblies  
and registered Bahá'í groups in the  
Appalachian, Atlantic, Heartland,  
Midwestern, Northeastern, Prairie States,  
South Central, and Southeastern regions

Dear Bahá'í Friends,

We are pleased to invite all Bahá'í youth in the Appalachian, Atlantic, Heartland, Midwestern, Northeastern, Prairie States, South Central, and Southeastern regions who are engaged in their undergraduate studies and who wish to participate in the series of enriching seminars offered by the Institute for Studies in Global Prosperity (ISGP)—in collaboration with the National Spiritual Assembly of the United States—to express their interest by completing a web-based application form.

As part of its efforts to build capacity in individuals and to create spaces for learning about the betterment of society, ISGP offers a sequence of annual seminars designed to accompany undergraduate students through four years of university studies. The purpose of these intensive seminars is to raise the consciousness of youth about the importance of engaging in action and discourse directed towards social change; to develop their capacity to reflect, to analyze, and to learn from action; to explore elements of a conceptual framework for contributing to the advancement of civilization; to provide them with tools to understand and analyze the culture in which they are immersed as well as the content of the university courses they are studying; to help them assume ownership of their education; and to assist them in their efforts to acquire the kind of knowledge that will enable them to live productive and meaningful lives. A seminar brochure is attached with further details. More information about ISGP, an organization established in 1999 by the Universal House of Justice, may be found at [www.globalprosperity.org](http://www.globalprosperity.org).

Below is application information for the upcoming seminar scheduled to take place at Green Acre Bahá'í School in Maine, circumstances permitting:

The costs of the seminars are subsidized by the National Spiritual Assembly. The remaining cost is a flat fee of \$440, which is applied towards room and board for the 11 days and the seminar materials. Financial assistance is available for those who are unable to pay the entire \$440 fee and/or travel costs on their own, helping to ensure that financial obstacles are not a barrier for participation in the seminars. Interested individuals may write to [isgp.ga@gmail.com](mailto:isgp.ga@gmail.com) with any questions or for assistance with the application process.

For the safety of all, attendees are required to be fully vaccinated against COVID-19 at least one month prior to the start of the seminar, including with booster shots.

We encourage you to share news of this opportunity widely, especially among eligible Bahá'í youth in your area.

With loving Bahá'í greetings,
